“Thriving in the age of digital
disruption & innovative
workspace”
Lausanne, September 1, 2016

Olivier Vergues

General Manager, Workflow Automation at Xerox
Europe

xerox

Olivier has European responsibility for the Xerox Workflow Automation business which delivers technology based services enabling customers to transform paper based business processes into new, more efficient digital ways of working.

Prior to Xerox his career included strategic consulting (A.T.Kearney), E-billing and E-commerce sales responsibilities.

Olivier has three children and is a passionate runner.
