

RESPONSIBLE LEADERSHIP SUMMIT

SHAPING OUR FUTURE

The communications team is planning to write brief summaries (400 – 500 words) of all sessions. The summaries will be posted after each session on the IMD web site in a special section that will feature all coverage from the Summit. Therefore, they would be grateful to have your presentations in advance so they can begin preparing article summaries for your approval prior to the Summit. Please send the presentations at your earliest convenience to Kevin Anselmo: kevin.anselmo@imd.ch.
