Online services provided by the city have made it easier to start a new business for 60% of the city residents, while 20% shows areas are low. The left-hand section of each bar shows the alignment of the proportion of those who responded and answered the corresponding survey questions. A strong Alignment implies that these areas also demand priority attention.

Attitudes

You are willing to concede personal data in order to improve traffic congestion: 65.9%
You feel the availability of online information has increased your trust in authorities: 74.2%
